General Meeting: June 19, 2007 - 7:00pm
Wenatchee

Steel Workers Hall – 180 Rock Island Rd.- East

NEW MEETING PLACE: The new meeting site is the Steel Workers Hall (note the name change) located at 180 Rock Island Rd in East Wenatchee. It is located approximately 200 yards south of Grant Road. A reminder, the General Meeting is the 3rd Tuesday and Executive Board the 2nd Tuesday of the month.

JUNE PROGRAM: It was felt that a great deal of effort goes into finding programs for our meetings and since this is the last meeting before summer and seems like an excellent program it is taking top billing. Many thanks to the membership for helping get quality programs that we have and especially this one.

The program will be on "Eyes In The Woods". This will be a 1 ½ hour long program training us on how to better collect evidence on law violating situations. *A strong reminder is that a detective it does not make us --- just evidence collectors, should the case go to court.* This meeting is free and will be opened to the public. So bring your wife, companion, neighbor and friends to the training. This meeting date and time is going to be listed in the new hunting pamphlet that is coming out and it is our hope that it will generate more interest as well.

Department Report: You are reminded to submit any special hunting permits by June 28th. If you have any questions or concerns about hunting or fishing issues do call Amy and she'll answer or find answers to your questions or concerns.

Spring Chinook fishing runs through July 31st on the Icicle River.

A Hearty Thank You: Jim and Nancy Hope wish to thank the crew who helped assemble fishing poles for the Leavenworth Kids Fishing Day. It took several hours and they sincerely appreciate all the help.

Important Meeting Coming Up: We just received the following information and it is likely dated material. There will be a Big Game Management Roundtable (BGMR) meeting in Ellensburg June 14th. Meeting will be held at Ellensburg High School in the Little Theater starting at 7:00pm. The meeting will concern winter range closure and restricted use in the Colockum and Whiskey Dick Wildlife areas. Some discussed options are complete closure (*no trespassing period*), or closure during the months of critical winter-feeding. Contact Pete Lopushinsky at 663-6260 or Bill Stegeman at 663-7529 or cell 393-9528 for more information. Your attendance and input is very important.

Last Newsletter Until September: This is the last newsletter until September. The Board of Directors wants to thank all of those who have helped make this a year of success. We hope you have enjoyed the programs that have been provided this past year. We are always on the look out for new program material. If you know of any, contact any of the Directors or contact Ron Bruno 884-9369, Bill Stegeman (H) 663-7529 or (Cell) 393-9528. Thank you again members and have a safe and fun summer and by all means start getting in shape early for next fall's hunting season.

September Program: Tom and Beau usually report on the hunting prospects for the upcoming hunting season.

Have a great summer and look forward to seeing you in the fall.

Ron Bruno – President

Bill Stegeman – Secretary
