The Youth Hunting and Fishing Day kids event is almost here!!!

Mark you calendars for Saturday September 29. Come join the Wenatchee Sportsmen's Association at the North Central Washington Gun Club (2740 Gun Club Rd, East Wenatchee, WA 98802) range up in Fancher Heights from 10:00 am to 3:00 pm. The first 300 kids receive a free goody bag. There will be information on fishing, hunting, outdoor recreation, and fish and wildlife. This is an absolutely great event that you're going to want to check out.

Better yet, sign up to be a volunteer and be a part of introducing kids to the great outdoors! Volunteers should contact Matt Gutzwiler at 509-663-1526. If hunting and fishing is to compete with video games and TV then we need to do everything in our power to show these kids what the sporting life, conservation, and the wonders of the natural world have to offer. Once we get them hooked they'll be hooked for life!

WSA ISSUES & ITEMS

Game meat donations. Matt is still looking for more wild game meat donations. In particular he'd love to get his hands on some salmon (tough go this year) and anything exotic (moose, caribou, wild boar, muskox, alligator, etc.).

Game Feed Booze. We're looking for a Bartending Service or Bartending Staff for the 2019 Game Feed. If you know of someone or are interested in helping us out please Contact the Game Feed Chairman, Robert Scoville, 860-1773, or rscoville61@gmail.com.

WDFW budget update. The WDFW is current working on their 2019-2021 Budget Development. Unfortunately with a \$30 million budget deficit they're looking to make some cuts. We could debate for days all that has lead to the deficit but I wanted to point out one small item. One of the proposed cuts is the information office at the Wenatchee Field Office. This means that there won't be anyone at the front desk to answer questions or provide information. If this is important to you (and I'm going to guess for many of you it is), please contact your State representatives, Cary Condatta (cary.condotta@leg.wa.gov) and Mike Steele (mike.steele@leg.wa.gov) , and you State Senator Brad Hawkins (brad.hawkins@leg.wa.gov).
